

SOMETHING TO FLIP OVER!

# WE HAVE A *NEW* NAME!

*The Print Shop* is now *University Copy and Graphics*

Need help with a project, but not sure where to begin?  
Visit us in our newly renovated space, located just behind  
Maher Hall and let us help you with it!

We can design it, copy it, make it black or color! Some of our services include full bindery, copying, scanning, printing, graphic design, name badges, and University stationary orders.

Whether your job is on-campus, off-campus or personal, our staff will guide you through the procedures in setting up your project. We are authorized to meet or beat any competitor's prices on any work produced at University Copy and Graphics. In addition, any monies that come to University Copy and Graphics benefit the University.

We proudly offer sustainable products and printing solutions. You may purchase rain forest alliance approved copier paper here.

All of our current copier papers are recycled or FSC-Certified and rain forest alliance approved. The department also works with printing companies that have been certified by the Forest Stewardship Council, use soy-based inks rather than inks made with petroleum and, in some cases, even use wind power.
