  - Application Fee.**  
An application fee of \$45.00 must accompany the graduate application. Former USD graduate students who have completed coursework and are applying for readmission to the same program need not pay a second application fee.

#### 4. Law Students.

#### **Policy of Non-Discrimination:**

The University prohibits discrimination against current or prospective students and employees on the basis of race, color, sex, religion, national origin, age, disability, sexual orientation, or any other legally protected characteristic. The university does not by this non-discrimination statement disclaim any right it might otherwise have to maintain its commitment to its Catholic identity or the doctrines of the Catholic Church.

Admission to the University of San Diego under Graduate Special Student Status limits the student to enrolling in a maximum of six (6) semester units. This admission is temporary only and places the student in an unclassified graduate student status. It does not in any way imply formal admission to the University of San Diego which must be accomplished by the completion of the full, formal application.

Graduate Special Students are not eligible for any form of USD financial aid.
