'L' designates a laboratory course. When taking these courses, students are advised to take the corresponding lecture to obtain full credit for lecture/laboratory combination courses offered at USD.

Freshmen and transfer students entering Fall 2006 and later are required to fulfill the new Core Curriculum listed on this articulation agreement. Furthermore, beginning Fall 2006, freshmen and transfer students are required to meet the Diversity requirement by taking one course. Courses that fulfill the Diversity and the Core Curriculum requirement are identified on the articulation agreement. In some cases, both requirements can be fulfilled by the same course.
