

Thank You Alumni Donors Poster Campaign

A student poster campaign during Homecoming Weekend to thank USD alumni donors for their support.

The goal of this project is to thank our alumni for their gifts to the University, show them that their gifts directly support students, and demonstrate that students are thankful for their support.

Through the activity, we also hope that students will learn that alumni gifts directly benefit students and that USD relies on and appreciates alumni gifts. In addition, we want the general student population to see that other students appreciate alumni donors.

USD Student Organizations are encouraged to create posters with the messaging below and **sign the poster with their Student Organization's name**. Posters should be dropped off in the Office of Alumni Relations, Degheri Alumni Center Suite 137, by Tuesday, Oct. 13 at 5 p.m. to be posted for Homecoming Weekend.
