Accessing the AS Budget
CREATING A FUNDING REQUEST
You may create a funding request on Torero Orgs for your student organization. Some common examples of funding requests are: General Body Meeting food, food for events, funding for entertainment, conference fees, etc. Please fill out the form to the best of your ability and with as much detail as you can!

The AS Finance Chair will see your request and confirm that you are a registered, approved student organization. Then, they will send you an email with a location and an appointment time for the next AS Budget Committee meeting, which meets every Tuesday at 12:15 PM. The email will remind you that you will need to confirm your appointment and then prepare a short 5 minute presentation for the ASBC meeting.

AS BUDGET COMMITTEE MEETING
Please arrive at the ASBC meeting at your assigned time slot. At the meeting you will give a short presentation and answer questions posed by committee members. The questions could relate to potential conflicts with the ASBC Bylaws or they may simply be clarifications.

RECEIVING AND ACCESSING YOUR FUNDING
After your presentation, the ASBC will discuss and vote on how much to allocate to your student organization. Later that afternoon or evening, the AS Finance Chair will update your Torero Orgs account with your allocation (you should receive a notification from Torero Orgs once that happens).

Once you receive your allocation, you will need to complete an ASBC Check Request form in order to access your funding for reimbursement. These BLUE forms can also be found near Madeline Kreig’s desk at SLP 307.

SUGGESTIONS AND TIPS
1. Consult the ASBC Bylaws before making your request! It will make the process easier and smoother for both you and the ASBC if you are familiar with the bylaws before you submit a request. You will want to pay special attention to ARTICLE VI, since it is about the rules and regulations.

2. Do NOT bring your student organization’s advisor to ASBC meetings. At most, advisors are allowed to attend the meeting, but should not interject or answer questions. This is a student-run operation on both sides.

3. We fund General Body Meetings using a simple formula: $4 per person registered on the organization’s Torero Orgs for 7 meetings per semester.
