

Dr. Eunice Parisi-Carew

## The Ken Blanchard Companies

Dr. Eunice Parisi-Carew is an accomplished consultant, trainer and speaker. With a broad base of experience in many facets of leadership and organizational development, she has designed, directed, and implemented training and consulting projects for a number of top North American corporations, including Merrill Lynch, AT&T, Hyatt Hotels, Transco Energy Company, and the Department of Health, Education and Welfare. Her experience also includes several engagements in Mexico, Canada the UK and the Far East and Europe.

As a trainer, Eunice connects instantly with an audience. She exudes sincerity and knowledge and keeps people involved and interested. She is perceptive to a group's needs and often is described as articulate, engaging and humorous.

Team building, leadership, productivity, change and person empowerment are among the topics she addresses in classes, seminars, speeches and articles. Eunice is the co-author of the extensive High Performing Teams product line at Blanchard and the co-author of two best selling team books – *the one Minute manager builds High Performing Teams* and *High Five*.

Eunice has taught at the University of Massachusetts, American University and directed a graduate in Group Dynamics and Leadership at the University of Harford. She has published several articles and instruments in this area. She is a member of NTL Institute, a licensed psychologist and a certified organizational development specialist.

She received her doctorate in the behavioral sciences from the University of Massachusetts in Amherst and is presently the senior researcher for the Office of the Future at the Ken Blanchard Companies.

“Results, results, results is all I can say. Your performance was outstanding, and we benefited from your work.”

Jim McConnell  
Transco Energy Co.

“Your presentations were exactly what I was hoping for. I congratulate you both on the content and your most effective delivery.”

Richard F. Seaman  
Council for Advancement and Support of Education

“Your seminar was a big hit among the learners. You provided the essential information they wanted, and you were very enjoyable.”

Roseanne M. Zocco  
Greenville Regional Hospital

“We could not have had a better beginning to our conference. Your knowledge and experience is evident, and you presented your topics in a professional, yet friendly and personable, manner. Your desire to help others learn and improve themselves professionally and personally is obvious.”

Frederic W. DeVall, Ed.D.  
The PM Group

“We have received excellent reviews of your session. Attendees particularly enjoyed the group participation activities and your ‘balanced’ approach.”
