

## **SBA Career Services**

- In today's competitive job market, there's no substitute for practical work experience. Recruiters want students who have internship experience on their resumes.
- Internships allow you to get your foot in the door, build your resume, make valuable contacts, and gain job search experience.
- Getting meaningful work experience in your major field of study or career interest should be a top priority; it is a vital part of your experience at USD.
- Career Services can help you create an individualized job search strategy.
- Check out SBA Career Services emails for weekly job and internship opportunities.
- Come to a workshop to hone your job search skills and fulfill passport requirements!

*ToreroLink* is USD's online job and internship database that can be accessed by students at any time, and is continually updated by recruiters posting jobs and internships. It is the most important tool at your disposal, for both internships and jobs. *ToreroLink* is also the only place where on-campus recruiting opportunities are advertised and managed. To register for *ToreroLink*, your username is your email address, the password is careers.

Register for *ToreroLink* TODAY!

**At the SBA, we will help you through all aspects of a job or internship search, including:**

- Helping you prepare an effective resume and cover letter
- Providing counseling services to help you clarify your goals and create a plan for your internship and job search
- Coaching you on interview skills
- Providing regular emails highlighting newly posted internships
- Keeping you updated on campus recruiting events and deadlines

SBA Career Services  
Olin Hall, Room 114  
Monday-Friday 9:30am-1pm

Students can also get a full-range of career advising at the Career Services Center every day from 8:30am-5:00pm in Hughes 110.
