

On behalf of the University of San Diego School of Business Administration (“SBA”), we are pleased to welcome you as an undergraduate business student.

Our vision for the undergraduate business program is to be a student centric undergraduate business program that provides our students with an exceptional academic experience and superior administrative support. The objective is to remove administrative obstacles so as to free our students to focus on learning and discovery through a series of comprehensive experiences both in and out of the classroom environment. In doing so, we strive to be the preferred program for those students seeking a comprehensive experience designed to develop the whole person.

The University of San Diego SBA is distinctive because of what it offers to you, including:

- Ranked among the top 50 undergraduate business school programs by *BusinessWeek*
- Accredited by the Association to Advance Collegiate Schools of Business (AACSB)
- An innovative program tailored to your individual needs through various majors and minors
- Opportunities in study-abroad and internship programs

We encourage you to work with your advisor to tailor a program for you. Your advisor will assist you with choosing your classes, study abroad opportunities, internships and other opportunities that best meet your unique interests as a student in our program.

In addition, we strongly suggest you take advantage of our other support programs, such as peer mentoring, career services and student business organizations. The peer mentoring program assigns an established SBA student to impart first-hand knowledge on how to succeed in your major. Career services provide in-house counseling, workshops, and career assessment tests. In addition, our student business organizations provide you with the opportunity to network with students and business leaders.

We look forward to supporting you in your endeavors. If you have any comments or questions, please contact the SBA Undergraduate Programs Office at sbaug@SanDiego.edu.
