USD - Sports Clubs -MEDICAL CONSENT INFORMATION - Athletic Medicine Notice of Privacy Practices

This notice describes how medical information about you may be used and disclosed, and how you can get access to this information. Please review it carefully.

Your information is personal and private.

We understand that information about you and your health is confidential. We are committed to protecting the privacy of this information. A medical record documenting the care of your athletic related and non-athletic related injuries and illnesses will be kept in a secure confidential area in the athletic training room. This notice applies to all of the records kept on file in the athletic training room.

**Athletic Medicine Staff** refers to all persons working under the direction of the director and medical staff of USD Health Center and/or the Head Athletic Trainer and includes but is not limited to all team physicians, resident physicians, medical students, staff certified athletic trainers, student athletic trainers, and designated observing students. In addition it includes USD Public Safety.

**A. HOW WE MAY USE AND SHARE INFORMATION ABOUT YOU**

USD medical staff may use or share your information for reasons directly connected to your treatment, payment for that health treatment or health plan operations. The information we use and share includes, but is not limited to: your name, address, personal facts, medical care given to you, and your medical history. Some actions we may take while caring for you include: checking your insurance eligibility and enrollment; approving and paying for health care services; checking the quality of care that you receive; and coordinating the care you receive. Some examples include:

*For treatment:* You may need medical treatment that requires us to get approvals from a health plan for consultations with specialists or surgeons. We will share information with doctors, hospitals, insurance companies and others in order to get you the care you need.

*For health care operations:* We may use information in your health record to judge the quality of the health care you receive. We also may use this information in audits, planning, and general administration.

**B. OTHER USES FOR YOUR HEALTH INFORMATION**

i. Your medical information regarding injuries or illnesses associated with your participation in Sport Clubs at USD may be shared with coaches, campus recreation, USD administration, and others as stated in a separate release, *Sport Club Athlete Authorization/Consent for Disclosure of Health Information Regarding Athletic Related Injuries and Illnesses.*

ii. Sometimes a court will order us to release your health information. We also will give information to a court, investigator, or lawyer under certain circumstances. This may involve disclosure and discussion of your health information with the University Risk Manager or attorneys employed/retained to represent the University.

iii. You or your doctor, hospital, and other health care providers may appeal decisions made about claims for your health care. Your health information may be used to make these appeal decisions.

iv. We also may share your health information with agencies and organizations that check how our athletic training department is providing services.

v. We must share your health information with government agencies when they are checking on how we are meeting privacy rules.

vi. We may share your information with researchers when an Institutional Review Board (IRB) has reviewed and approved the reason for the research, and has established appropriate protocols to ensure the privacy of the information.

vii. We may disclose health information, when necessary, to prevent a serious threat to your health or safety or the health and safety of another person or the public. Such disclosures would be made only to someone able to help prevent the threat.

**C. WHEN WRITTEN PERMISSION IS NEEDED**

If we want to use your information for any purpose not listed in this notice, we must get your written permission. If you give us your permission, you may cancel or revoke it in writing at any time.

**D. WHAT ARE YOUR PRIVACY RIGHTS?**

i. You have the right to ask us not to use or share your personal health care information in the ways described in this notice. We may not be able to agree to your request.

ii. You and your personal representative have the right to get a copy of your health information. You will be sent a form to fill out and may be charged a fee for the costs of copying and mailing records. (We may keep you from seeing certain parts of your records for reasons allowed by law.)

**E. COMPLAINTS** If you believe that we have not protected your privacy and you wish to complain, you may file a complaint (or grievance) by calling or writing the Director of Campus Recreation: Gary Becker. gbecker@sandiego.edu (619) 260-4276
USD Sport Clubs - MEDICAL CONSENT AUTHORIZATION FORM

Athlete Authorization/Consent for Disclosure of Health Information Regarding Athletic Related Injuries and Illnesses.

Background:
This consent form is designed to inform you of the public nature of your athletic injuries and illnesses and obtain your consent to our release of certain personal health information.

1. As a club athlete you enter into an agreement with Campus Recreation & Sports Clubs with unique rights and responsibilities. Sharing medical information about your injuries or illnesses with coaches, USD Campus Recreation and USD Administrators is helpful (such as when a coach is planning a roster for an upcoming competition).

2. Often other athletes are within hearing distance while you are being evaluated or treated in the training room or on the field for your athletic injuries and illnesses. We may also ask a teammate, roommate or friend to help monitor you for signs/symptoms of a concussion.

3. Lastly, concerned parents often request information about your care for athletic injuries and illnesses.

Definitions:

Athletic injuries and illnesses: This may refer to any injury or illness that impacts your ability to play and/or perform for University of San Diego Sport Clubs. Medical information that will not be released includes information about psychological/psychiatric illness, substance abuse, eating disorders, obesity, sexually transmitted disease, neuropsychiatric testing, or learning disabilities.

Athletic Medicine Staff refers to all persons working under the direction of the director and medical staff of USD Health Center and/or the Head Athletic Trainer and includes but is not limited to all team physicians, resident physicians, medical students, staff certified athletic trainers, student athletic trainers, and designated observing students. In addition it includes USD Public Safety.

Consent:

I, _____________________________, hereby authorize University of San Diego and its athletic medicine staff (physicians, athletic trainers and health care personnel) to disclose when requested or necessary my protected health information and any related information regarding my athletic injuries and illnesses to the following groups/persons:

List A: Groups/Persons

1. Campus Recreation Director
2. USD Campus Recreation Department Administrators including but not limited to
3. Teammates, Roommates and other Sport Club athletes
4. Parents or guardians

I understand that the information released may have different purposes and is dependant on to whom the information is released.

List B: Purposes

1. Explaining the typical course of an injury or illness to a coach or another athlete
2. Informing concerned parents or guardians

I understand that my injury/illness information is protected by federal regulations under either the Health Information Portability and Accountability Act (HIPAA) or the Family Educational Rights and Privacy Act of 1974 (the Buckley Amendment) and may not be disclosed without either my authorization under HIPAA or my consent under the Buckley Amendment. I understand that my signing of this authorization/consent is voluntary and that my institution will not condition any health care treatment or payment, enrollment in a health plan or receipt of any benefits (if applicable) on whether I provide the consent or authorization requested for this disclosure. I also understand that I am not required to sign this authorization/consent in order to be eligible for participation in Sports Club teams.

This authorization/consent expires 380 days from the date of my signature below, but I have the right to revoke it in writing at any time by sending written notification to campus recreation. I understand that a revocation is not effective to the extent action has already been taken in reliance on this authorization/consent.
