

The University of San Diego Math Explorers Camp Online Registration Instructions

1. On the page titled "General Registration Information" enter the contact information for the parent or guardian of the child/children attending the camp. Choose the quantity of camp registrations you would like to purchase (1 registration per child). Click the "Submit" button.
2. On the page titled "Billing" enter the billing information. Click the "Submit" button.

3. On the page titled "Guest List" click on the "Edit" link to fill out information for the child attending the camp. Click on the "Submit" button. Click on the "Finished" button to complete the registration process and to view and print your receipt.

Registering more than one child: If you are registering more than one child, click on the "Edit" link to enter information for the first child and click on the "Submit" button. Then click on "Assign Guest Name" to enter information for each additional child attending the camp. Under Registration Type select "Math Explorers Camp Registration" Click on the "Submit" button. Click on the "Finished" button to complete the registration process and to view and print your receipt.
