For Residence Halls:

In order to hang flyers on bulletin boards in residence halls, the flyers need to be approved by the RD's. Contact the RD's 3 - 4 days before you want flyers posted in order to give them enough time to post. Also, they must approve door-to-door flyers as well. Either call or e-mail the RD's for further information. Residence Life Department: x7656.

For Giant Posters Outside Buildings:

The only places posters can be hung are outside Maher and Camino/Founders. To make posters go down to UC 161 and ask the receptionist for the key to the paints. You must give them your ID in order to use the paints!

To Post in the Law School:

In order to post a flyer on an easel when you enter the building, you need to contact Bill Anderson so he can approve it. Otherwise, there are two bulletin boards upstairs, one on each side of the hallway where you can post flyers.

To Post in Serra Hall:

You can post anything on the side bulletin boards on the main floor or on the walls in the stairs closest to the front of the building. You may not post anything downstairs, those bulletin boards are for department use only!

To Post in the UC:

The Community Service Office has two bulletin boards in the UC, one outside of UC 161 and the other is outside UC 232. Contact UC OPPS if you want to post outside the Deli because they need to approve the flyers.

To Post Outside Copley Library:

You can place a stack of flyers on the table outside the front entrance or post them on the wall above the table.

To Post in Aromas:

Flyers can be placed on the shelves along the side with windows.
