Direct Payment Menu - Microsoft Internet Explorer provided by University of San Diego

Address: https://www.ecsi.net/cgi-bin/bcgl.exe?bcgl180223003686974586

## Direct Payment Menu

Direct payment is our electronic payment method. It allows you to make a one-time or recurring debit from your checking, savings or draft account.

**New!** You can now decide if your payments are made if you are in a deferment period. By default, payments are not taken during an eligible deferment. Check the "Pay Always" box to make payments if you want payment to be made regardless of your deferment status.

**Warning!** All incidents or suspicions of fraud are immediately reported to our bank and to the FBI.

[Make Direct Payment](#)  
Determine the amount, distribution and type of payment you wish to make **NOTE:** You can have only one transaction pending. If you have a payment pending (not yet processed), successive transactions will **update** the pending payment.

[Return to My Account](#)  
Return to the My Account page.

[Logout](#)

[Direct Payments Transaction History](#)  
View any outstanding or past direct payments.

[Update My Banking Info](#)  
Record all the relevant information about your financial institution. Future Direct Payment transactions will use this information to save you the extra typing.  
**NOTE:** This information is only used for Direct Payments. This information **will not** update your traditional ACH information.

If you have any questions or concerns on how we use the information collected, please consult our [My Account Privacy Policy](#) for full disclosure or [Contact Us](#).

When the "Direct Payment Menu" screen comes up, click on "Update my banking information." This will allow you to update/input any new bank information you might have.
