

Office of Financial Aid

On your application for financial aid, you indicated an interest in obtaining employment through the *Federal Work-Study (FWS) Program*. Unfortunately, employment through that federally-funded program cannot be offered at this time.

The University receives a limited amount of funding for the *Federal Work-Study Program*, and the funds have already been committed to other eligible students. You can, however, request that your name be placed on the ***FWS Waiting List***. If other students decline their FWS awards, those funds may become available and you may be able to obtain FWS employment.

To be placed on the *FWS Waiting List*, you must complete the attached form and return it immediately to the Office of Financial Aid, in the Hughes Administration Center, Room 319.

In addition to being placed on the FWS Waiting List, you may contact the Student Employment Center, at (619) 260-4801, if you are interested in exploring other employment opportunities.

USD offers part-time job opportunities on campus for students who do not qualify for the federally-subsidized *Federal Work-Study Program*. Approximately 500-550 of these positions exist during an academic year, primarily in Dining Services, Banquets & Catering, Jenny Craig Pavilion and the Athletics Department. In addition, the University assists USD students in finding off-campus employment within the San Diego area.

The staff of the Student Employment Center will assist you in any way they can in your search for suitable part-time employment. Please contact that office if you have any questions or need assistance. Good luck to you as you seek part-time employment to assist with your educational costs at USD.
