ii. Discussion
   1. Mark: we are trying to figure out how to incorporate Risk Management Chair without removing too much responsibility on the President
   2. Phi Kappa Theta: does this chair take all responsibility for recommending a chapter to GDB
   3. Mark: Yes, in addition, assisting with paperwork, working with Onar, being knowledgeable on the Greek Guidelines
   4. Beta Theta Pi: taking responsibility away from
   5. Delta Tau Delta: it actually could be more comfortable/accessible to work with a student rather than Onar
6. Mark: move away from the paperwork
7. Phi Kappa Theta: they might not have necessarily have a lot of work to do
8. Lambda Chi Alpha: instead of presidents, these coordinators will be at GDB hearings instead. If they have a larger role, then maybe this position would be more worthwhile
9. Phi Kappa Theta: I would feel more comfortable that the President would be making this decision rather a random newcomer
