   ii. San Diego Alumnae Panhellenic (SDAP) is a part of the National Panhellenic Conference. We annually provide scholarships for high school seniors and college women attending universities with Greek systems. This year the SDAP would like to recognize the most improved sorority on USD campus at the completion of the Fall 2014 semester with a $100 award/donation. The sorority will be awarded this recognition at the upcoming Panhellenic meeting in January. In January we would like you to select the chapter that will be the recipient of the award. Then later in the month, we would like to present it to the sorority at your meeting. This surprise announcement is intended to prepare and incentivize all the sororities on campus to participate. Thank you for representing all best of Greek Life. Good Luck!
