Dear President Keil,

Thank you for your leadership and participation in an open and constructive dialogue. As a follow up to our conversation this afternoon, we want to reiterate our common interest and respect for the Catholic mission and core values of the University of San Diego.

After further review and consultation with the leadership of PRIDE at the University of San Diego and the PRIDE Advisor, it has been determined that PRIDE will be sponsoring a dance for the campus community. Consistent with our Catholic identity, all student activities are intended to foster a sense of community and inclusion and respect for the University mission. In keeping with the role of student organizations at USD and embracing our commitment to inclusion, we support this activity taking place on our campus.

Sincerely,

Carmen M. Vazquez
Vice President, Student Affairs
