

## Two Churches, One Marriage

### The Meaning of Marriage

### Discovery

Take a moment to reflect and write down answers to the questions listed below. After you have responded to all the questions, share your answers with your partner. How similar or different are your responses to one another?

1. How would you define marriage?
2. What role do you think that God should play in your marriage?
3. What messages have you received about marriage from the following sources: 1) Church or religious teachings; 2) childhood or family experiences; 3) friends or peers; and 4) our society? Which of these factors has had the most influence on your views? In what ways have these factors positively and negatively influenced your views of marriage.
