

University of San Diego

Corel Licensing Agreement
Staff/Faculty Users Acceptance Form

This software is made available to you because the University of San Diego has purchased a limited number of Corel WordPerfect 13 licenses. The University of San Diego is extending to you the right to use the software for school-related purposes on an office computer as well as one laptop or home system. You do not own the license, rather you are using a license owned by the University of San Diego.

Home and laptop usage is the right to use a second copy of the Software on a portable computer or a home personal computer, so long as the second copy is never in memory or virtual memory at the same time the primary copy is in memory or virtual memory on the primary computer. For all users, the primary computer is one office machine. You will be required to remove the Software from your home or personal machines should you leave the University. **You are not licensed to use the software on any home computers or laptops for personal purposes.**

A unique Special Product Key will be in usage for every licensed user at the University of San Diego that will run WordPerfect software. The Special Product Key and the software it installs are intended for the sole use of the person to whom the software is granted. Holders of these key codes are required to keep their Special Product Keys secure and only distribute them to employees authorized to install and distribute the software on the designated machines. You will be held responsible for unauthorized use of your unique WordPerfect Special Product Key.

Please initial each statement:

- I have read and will abide by the license agreement associated with this Software.
- I understand that the Special Product Key is provided for my usage only.
- I understand that no technical support is provided by the University of San Diego on personal computer systems.
- I understand that I must remove the software from my personal computer if I leave the University of San Diego.
- I understand the minimum specifications to run the Software as listed.
- I understand that I am not licensed to use the Software for personal purposes.
