NOTE: While this is an annual scholarship, the spring semester award is contingent upon your performance as a student leader during the fall semester. It is possible that, depending on your performance, the award will increase or decrease for the spring semester. If you are awarded this scholarship, you will need to submit another brief essay describing how you have contributed to the USD law community during the fall semester and your leadership plans for the spring. You will receive more information on this process once you are awarded the scholarship. Multiple scholarship awards will be given, with most awards ranging from \$500-\$5000 per year.
