## *Patron Suggestion*

December 8, 2006

Have a Bible, since there is a lot of religion classes here. And have paper here to write suggestions.

There are several Bibles in the Reference Collection. For example, you can find a King James Version at BS185 .G72 1983 and a Jerusalem Bible at BS195 .J47 1966.

Perhaps if more patrons were to read these, especially Exodus 20:12 or Deuteronomy 5:16, we would be able to keep paper next to the Suggestion Box as you recommend. However, whenever we have tried to do that, the paper has been stolen!
