PATRON SUGGESTION

I would like to request that cleaning wipes be available for students on each floor so we can clean carrels or tables. They get really dirty. I have cleaned my carrel from time to time & the towel comes out blackened.

Thank you!! 😊

I know that our cleaning personnel will be really disappointed and embarrassed to hear that you have found such unclean conditions in your study carrel. We are working with them to see if they are able to keep up better with the normal use of these facilities. If you still feel that a carrel that you would like to use is not clean enough, please come to the circulation desk, and we will give you a cleaning wipe. I'd rather not put them out on the floors because of potential littering problems.
