## PATRON SUGGESTION

Get a subscription to *The Economist*. It is very informative, and a subscription is not within the means of most students.

## LIBRARY RESPONSE

April 15, 2008

There is no doubt that *The Economist* is a great publication. We wish we could get everything people request, but our budget is tightening and we are collecting new titles sparingly.

Many of their articles are available for free on the Internet at [www.economist.com](http://www.economist.com). Also, Copley Library has a print subscription, but if you don't want to walk down there you still have free access to it through the Sally catalog as well.
