PATRON SUGGESTION

March 26, 2008

It would be awesome if we could get a daily Financial Times subscription too because I am too lazy to walk across campus for a daily read.

LIBRARY RESPONSE

March 27, 2008

If you don't want to walk to Copley Library, you can log on to <http://www.ft.com/home/us/> , browse the headlines, and click on any of the articles that you would like to read. That way, you can get your daily fix, and we can use the \$300 subscription money to build up our legal collection as our mission and collection policy mandate—a win-win approach for everyone ☺! You can also search current and back issues by using one of the links in the SALLY record. Just do a title search for “Financial Times” and voila!
