## McNair Scholars Program

### Scholar Research Supply List

**IN ORDER TO ENSURE REIMBURSEMENT, ALL REQUESTS FOR SUPPLIES  
MUST BE PRE-APPROVED BY MCNAIR STAFF**

The Ronald E. McNair Postbaccalaureate Achievement Program will pay for up to \$500 each year per Scholar for supplies for research. Working with your faculty mentor, please generate a list of supplies and corresponding costs up to \$500.

There are two options for purchasing supplies through the McNair Scholars Program. A budget transfer can be made to the faculty mentor's research budget to cover costs. Alternatively, supplies from the list may be purchased by the student or faculty mentor, then reimbursed by the McNair Scholars Program. In either case, **original receipts must be provided** in order to be reimbursed.
