

TBI INTRAMURAL GRANTS: 2009-10
APPLICATION DEADLINE: MARCH 12, 2010
TBI GRANT APPLICATION GUIDELINES:

Please submit the following materials as part of your grant proposal package:

- 1) **Cover sheet** available at: http://www.sandiego.edu/tbi/pdfs/grant_coversheet.pdf
- 2) **Project abstract** with an overview of the objectives, expected outcomes, and how the project relates to the U.S.-Mexican border and/or the U.S.-Mexican bilateral relationship. Not to exceed 1 page, single-spaced.
- 3) **Project description** with more detailed background information and a rationale for the project, hypotheses and expected outcomes (e.g., anticipated findings or implications), research methodology, and expected outputs (e.g. publications, conferences, datasets). Not to exceed 5 single-spaced pages.
- 4) **Supporting materials**, including bibliography of relevant publications and reference materials, letters of support, samples of past work, etc. If funds are awarded, your project bibliography may be made available online by TBI after the completion of the project. Not to exceed 10 pages.
- 5) **Project budget** with itemized explanations of how funds will be spent. Budget details should show a list of other funding agencies (if any) supporting this same project and/or research, and the amounts of funds received from these agencies for this project.
- 6) **Curriculum vita or résumé** for individuals applying for the grant.
