FIELDWORK EXPERIENCE

1993 Spring semester - conducted dissertation research in São Paulo, Brazil.
1991 Summer - conducted pre-dissertation research in São Paulo and Rio de Janeiro, Brazil.

ADDITIONAL PROFESSIONAL EXPERIENCE

1989 CURRICULUM SPECIALIST. Southwestern Michigan College
I served as an education consultant in the developmental resources center. I reviewed textbooks, testing materials, and pedagogical methods and offered recommendations to instructors regarding these areas in addition to information on tutoring and study skills.

1988 EDUCATION CONSULTANT. D. Bonnet Associates (Indianapolis, IN)
I evaluated volunteer adult-literacy programs for the state of Indiana Department of Education. I visited a variety of sites throughout the state and was responsible for interviewing program coordinators in addition to assisting in the composition of the final report.

1986-88 EDUCATION CONSULTANT. Community Services Group (Indianapolis, IN)
I served as a coordinator for two CSG projects based at Butler University. One project involved a leadership program for high school students, including international students. The students served as volunteers for many activities in Indianapolis, including the Pan American Games. The second project dealt with at-risk junior high school students and involved Butler students as mentors. In addition to these two projects, I evaluated youth programs in Indianapolis for the Lilly Endowment Foundation and trained volunteers to work in various programs and to work with youth.
