

## The New HPV Vaccine

We are excited to announce the arrival of the HPV vaccine, Gardasil, at the Student Health Center. For more information about the vaccine, please visit [www.GARDASIL.com](http://www.GARDASIL.com). No appointment is necessary and each vaccine of this 3 vaccine series costs \$130. Please check with your medical insurance company to see if you can get reimbursed, as the student health center does not take insurance. If you do not have insurance go to [www.merckhelp.com](http://www.merckhelp.com) and click on the Merck vaccine patient assistance program to see if you qualify for vaccines at a reduced cost.
