- Rowell, L. L. (1997, August). Two presentations. *Stepping out onto the battlefield: Overcoming our inner and outer dragons* and *School counselors and advocacy*. Summer Institute sessions. San Diego Summer Counseling Institute, Ramona, CA.
- Rowell, L. L. (1993). *Design of self-esteem programs for primary schools*. Consultant to Delta School District, Vancouver, B.C., Canada.

Other Scholarly Activities

- 2011 Review Panel member. Session 3: Community Models for Learning & Teaching. Served on Review Panel with two Pepperdine University faculty members for student presentations at Action Research with Technology Conference organized by Master of Arts in Educational Technology Program at Pepperdine.
- 2011 Presentation, "Progress of the Links to Learning Elementary Counseling Program." PowerPoint presentation to the Board of Education, Monrovia Unified School District, Monrovia, CA. February 2011.
- 2010 Consultant to Planning Group of the BiNational Action Research Collaborative (BARC) developing proposal for the first Border Region Action Research Conference in Mexico.

The conference is being planned for educators and researchers throughout the US-Mexico border region, with a preliminary “Workshop on Educational Action Research” to take place in 2012.

- 2010 Coordinator, Action Research website, School of Leadership & Education Sciences, University of San Diego. Coordinated Work on organization of resources for a new addition to the SOLES’ web sit (“Action Research,” listed under “Academic Programs”) including supervising graduate students assisting with the site, selecting content, providing liaison with the SOLES’ web developer, editing content, and seeking input from SOLES faculty involved with action research.
- 2010 Co-organizer, California Action Research in School Counseling Collaborative, a project of CS3 and the California Association of School Counselors (CASC), University of San Diego.
- 2009 Co-organizer, California School Counseling Research Interest Network, a project of CS3 and the California Association of School Counselors (CASC), University of San Diego.
- 2008 Team Leader, Action Research Commendation Award development team, California Counselor Educator Research Collaborative, a project sponsored by the California Counselor Leadership Academy (CCLA), Los Angeles County Office of Education, Los Angeles, CA. The team developed the rubric for evaluating action research projects completed in conjunction with applications for SPARC Awards (Support Personnel Accountability Report Cards). The SPARC program was developed by the LA County Office of Education as a continuous improvement tool for school counseling and student support programs and was widely used by school districts throughout the state from 2001 – 2011.
- 2006 Project Director, AB 1802 Clearinghouse Project, Center for Student Support Systems, School of Leadership & Education Sciences, University of San Diego.
- 2006 Lead Organizer and Symposium Chair, First Bi-National Symposium on Action Research in Schools. The Bi-National Symposium was a joint effort of the Center for Student Support Systems (CS3), the School of Leadership & Education Sciences’ Department of Learning & Teaching, and teacher training programs at the Universidad Pedagógica Nacional (UPN) and the Universidad Iberoamericana (UIA) in Tijuana, México.
- 2006 Facilitator, Founding Member, Bi-National Action Research Standing Committee, Border Pedagogy Conference, La Universidad Iberoamericano (Tijuana, México), Universidad Pedagógica Nacional (Tijuana Campus), and University of San Diego.
- 2006 Founding member, Research Review Committee, National School Counseling Research Center, American School Counseling Association (ASCA), Alexandria, Virginia. This committee, announced by ASCA, was to be a part of an ambitious effort to strengthen the link between research and practice in school counseling. Due to conflicting priorities at the national level, the committee was never formally convened.
- 2005 Convened and Chaired the Planning Committee for the first California School Counseling Research Summit. The summit was co-sponsored by the California Association of School Counselors (CASC), the Center for Student Support Systems (CS3), and the School of Leadership & Education Sciences, University of San Diego.

- 2004 Presenter and participant, 2nd National Summit on School Counseling Research, Annual Conference of the American School Counselor Association, Reno, Nevada.
- 2004 Participant, California Summit on New Directions for Student Support. The Summit was organized by the Center for Mental Health in Schools, Department of Psychology, UCLA and was held in Sacramento, CA on February 13, 2004.
- 2004 Created the Action Research Symposium as a second annual event sponsored and organized by the Center for Student Support Systems. Initially focused exclusively on school counseling action research projects the event has evolved and grown and is now the leading annual North American action research gathering.
- 2004 Organized and implemented Revitalizing California Student Support Systems, a project to examine the state of school counseling in California and to generate discussion among leading student support system advocates regarding how to revitalize systems.
- 2003 Participant, Invitational National Summit on School Counseling Research, St. Louis, Missouri. Invited as participant at 25 person invitational summit convened by the American School Counseling Association in conjunction with its' annual convention. One of six participants asked to formally present current work. Presented on collaborative action research in school counseling and the Annual Forum held at USD.
- 2003 Participant, School Safety Focus Group, John's Hopkins University, Division of Public Safety Leadership. One of a series of national focus groups conducted by Johns Hopkins University Division of Public Safety Leadership as a part of U.S. Department of Justice grant.
- 2002 Created the Center for Student Support Systems (CS3) as a service-and-research center within the School of Education. Organized and trained graduate student volunteers and fellowship recipients into a Center Operations Group to operate the center on a day-to-day basis. CS3 sponsored and organized the Annual Forum on the State of Counseling & Guidance in San Diego County School Districts.
- 2001 Designed and implemented Strengthening School Community, a collaborative service/ research project of the University of San Diego School of Education, Grossmont Union High School District, and the San Diego County Office of Education. The project was initiated in response to two school shootings within the Grossmont district in March 2001. Organized and lead 14 "Community Forums" with school staffs, parents, and students at 9 high schools in the district. Recruited more than 20 volunteer focus group facilitators and note takers for the forums.
- 2000-2003 Wrote introductions for, and edited, Research Summaries packets for Annual Forum on the State of Guidance and Counseling in San Diego County School Districts, originally sponsored by USD School of Education and the San Diego County Office of Education.
- 1999 Began developing model for collaborative action research in school counseling. Since 1999 have supervised more than 45 field-based action research projects involving graduate students in school counseling and school counselors in local school districts.

- 1999 Created the Annual Forum on the State of Counseling and Guidance in San Diego County Schools. The Forum was initially a professional development event highlighting the research of USD School Counseling graduate students and featuring a keynote speaker from the ranks of leading national and international experts in the field. From a first year attendance of approximately 50, the event grew to a multi-faceted event with breakout sessions, panels, poster sessions, keynote speakers, and an annual luncheon, with attendance ranging from 90-140 each year from 2000-2010.
- 1999 Six-Week trip to People's Republic of China to present papers at four universities, visit primary and middle/secondary schools and universities in five cities, present an address to 300 teachers in Beijing, conduct a parent education workshop in conjunction with the Psychology Department of a major medical school in Wuhan, and discuss research possibilities with Chinese educators.
- 1998 Nineteen day trip to present paper at major mental health conference sponsored by the China Association for Mental Health, lead seminars with students at universities in three cities (Beijing, Xi'an and Haiko), present a major address to faculty and students at Hainan University, and meet with education officials of universities and middle schools to explore research and other collaborative projects.
- 1997 Steering Committee Participant in design and facilitation of a two-day San Diego Area Violence Prevention Summit held at National University and sponsored by the California Commission on Teacher Credentials, School Violence Advisory Panel. Designed group processes for working groups meeting during the summit including detailed descriptions of materials needed, the process for the group to follow, and the specific agenda for each group meeting to follow.
- 1997 Six-Week trip to People's Republic of China to present papers at two conferences, visit primary and middle/secondary schools and universities in three cities, present an address to faculty and students at a major university in central China, conduct two workshops with university faculty and administrators at a major teacher's university in Shaanxi Province, and discuss research possibilities with Chinese educators.
- 1994 Trip to People's Republic of China as member of a delegation from the USA-SINO Teacher Education Consortium. The purpose of the trip was to discuss the reform of teacher training in China and to explore collaborative relations between U.S. and Chinese higher education institutions.
- 1992 Dissertation: Rowell, L. L. (1992). *Evolving approaches to feminist counseling and therapy*. Unpublished doctoral dissertation, University of Southern California, Los Angeles, CA.
