

Spring 2019 Available Class Visits

The classes listed below have been made available to visiting prospective students.
Because seating is limited and certain classes may be taking a test on the day of your visit, we recommend that you check in with the listed professor 5-10 minutes before the start of the class.

In the case of an exam, be sure to select one or two backup classes to visit.
 Due to the limited seating of USD's small classroom environment, we are unable to accommodate parent observers along with the student guests.

We hope you enjoy your classroom visit experience!
