      1. Gender neutral restrooms
      2. More reading and study rooms
      3. Student lockers
      4. Access services will also be in the ground floor
   xv. Any ideas or questions…let them know
Senate Agenda

1. Harry Potter room will remain a study space; it will not be changed, rather the perimeter areas
2. Why the modern design style has been selected...why is there no tie in between the harry potter and the rest of Copley; more “traditional” style  
   a. Goal to connect the buildings more
3. Book storage: moving every book out of the building; some may not be able to return to campus and will end up in off-campus storage; be brought on to campus every day request just as with the circuit
4. Elevator access and where will it be located  
   a. Yes and also looking for there to be an elevator in the Mother Hill reading room (Harry Potter)

xvi. Anyone can e-mail the dean to let her know any suggestions
xvii. Some of the answers to the questions about study spaces will not be known until January
   1. Additional spaces around campus including staff in satellite spaces
xviii. Group study spaces will be reservable as they are now
xix. Concern with some books being moved off campus  
    1. USD has a small library compared to other campuses; include percentage of the collection and utilize the space for students
    2. Priority status will be given to disciplines that really utilize books
    3. We are land-locked do not have any additional space
Senate Agenda

xx. Tyler will send the e-mail out to the Senate from the dean
xxi. Around $12 million project
xxii. No decisions have been made

6. Final Business and Hearing of the Public. At this time, any Senator may take from the table any motion previously laid on the table in the meeting the week before or present urgent business; any member of the public may voice any concerns to the assembly on non agenda items. (12:55pm)

a. Assistant for Dept Public Safety: promoting body worn camera system; more of a cellphone based system: footage but also gives ability to see on screens on GPS and see where officers are and will allow to send officers who are closer to areas in need
b. Presentation that they can show
c. Data to show where the officers are and quickest response; efficiency and quickness
d. Cameras are for enforcement only
e. Would like someone of a group of people to be part of the Public safety commission panel
   i. E-mail Tyler first
