- Discussion:
 - It is open to entire student body and will not have to reimburse us. Did not fund this as a fundraising event.
 - They are going to sell the buttons and will not be requesting for t-shirts. Consider to not sell the buttons rather only give them out for free.
 - It would be hitting students twice to charge for the buttons (students should not have to pay twice)
 - People who go into the event should be given the buttons for free, but if they do not attend the event they can sell the buttons
 - Motion to approve \$730, but cannot sell the buttons, buttons will have to be free
