I hereby authorize the University of San Diego (the "University") and those acting pursuant to its authority to use my name, photograph or likeness, as well as my testimonials, quotes or comments, for publicity, promotion, advertising, fundraising, administrative, academic or educational purposes.

I specifically authorize the University to use my name, photograph or likeness, as well as my testimonials, quotes or comments, on the University's world wide website and in other publications printed or produced by the University in electronic, video, digital, or any other format. I authorize the University to crop or treat any photograph of me before it is included on the University's website or in any University publications.

I acknowledge and agree that the University has the sole and complete discretion to decide whether or not to use my name, photograph or likeness, as well as my testimonials, quotes or comments, at any time on its website or in University publications, and that the University has no obligation at any time to use or continue the use of them for any purposes. I also understand that once my image, testimonials, quotes or comments are posted on the University's website, that information can be downloaded by any computer user on or off campus, and the University shall not be responsible for any such acts.

I understand and agree that any photographs or images taken by or submitted to the University for possible inclusion on the University's website or in University publications shall be and remain the sole property of the University.

I release the University and those acting pursuant to its authority from liability from any and all claims arising out of or relating to the University's use of my name, photograph or likeness, or my testimonials, quotes or comments, for any of the purposes identified above.
