Campus in Düsseldorf – MBA Exchange Program

Since April 2013, all MBA courses have been taking place at our second Campus in Düsseldorf, which is now the center of excellence for post-experience programs offered by WHU.

Full-time and Part-time MBA courses for exchange students are held on our campus in Düsseldorf, while Master in Finance (MSc), Master in Management (MSc), and Bachelor in International Business Administration (BSc) courses still remain in Vallendar, as will the European Summer Institutes.

Graduate students fulfilling the WHU MBA admission requirements (see below) need to decide prior to nomination which program they would like to join. The partner universities should include in their nomination email whether the nominated graduate student will join our MSc (Vallendar) or MBA (Düsseldorf) exchange program.

For information on our MBA Exchange Program, please see our “WHU Campus Düsseldorf MBA Sheet”.

For more information on our new Campus in Düsseldorf, please visit this website: www.campus-duesseldorf.whu.edu/en

To discover “Düsseldorf”, have a look at this official city website: www.duesseldorf.de/eng/tourism/discover/index.shtml

MBA Admission Requirements

MSc and MBA exchange students may apply for our MBA Exchange Program if they fulfill the following admission requirements:

Minimum Age: 24 years (born in 1989 or earlier)

Language Requirements:
 English as mother tongue OR
 having already completed or currently studying in a university degree program taught and examined entirely in English OR
 internet-based TOEFL score of at least 100 points

Additionally, MSc students wishing to enroll in our MBA Exchange Program need to prove two years of work experience (full-time job or full-time internships in Business Administration).

Program Offer for Exchange Students!

On its campus in Vallendar, WHU offers a Bachelor in International Business Administration Program for undergraduate exchange students and since Fall 2013, a Master in Finance Program in addition to the Master in Management Program for graduate exchange students.

On its campus in Düsseldorf, WHU graduate exchange students fulfilling the MBA admission requirements can choose classes from the Full-time and Part-time MBA Program. For more information on these programs such as academic calendar etc. see “WHU Campus Düsseldorf MBA Fact Sheet”.

Due to the different campus locations and program structures, graduate exchange students can no longer mix MSc and MBA courses.

Language of Instruction
Two undergraduate tracks are offered: either with 80% percent or 100% of the courses in English. The graduate programs are completely taught in English.

Language Requirements
BSc and MSc exchange students do not need to prove their proficiency in English as we trust the selection process of our partner universities. However, a high level of English proficiency is required as the majority of the courses are taught and examined in English. We therefore strongly recommend that exchange students have English language skills equivalent to an internet based TOEFL score of at least 95.

Class format: Lectures, seminars and exercises

Nomination Procedure
The home university nominates their student(s) via email including the following information:

- First name and family name of the student
- Student’s gender
- Student’s nationality (for visa purposes)
- Term(s)
- Study program (BSc, MSc)*
- Student’s email address

* Due to the different campus locations and program structures, graduate exchange students can no longer mix MSc and MBA courses.

From now on, the partner university should indicate for each nominee upon nomination whether this graduate student is applying for our MSc Exchange Program on our Vallendar campus (see our WHU Campus Vallendar BSc MSc Fact Sheet) or our MBA Exchange Program on our Düsseldorf Campus (if eligible).

Application Process
After the home university has emailed the nomination to the respective exchange coordinator at WHU, the nominated student(s) will receive instructions for the online application procedure via email.

Shortly after the application deadline, we will process the complete online applications and send an acceptance package including the letter of acceptance for each student to the international office at the home university.

Housing
www.whu.edu/housingVallendar
The application for housing is done within the online application. After processing the application the housing office will contact the students directly. Housing is distributed on a first-come, first-served basis. Exchange students will be given support to find their apartment before arrival, either by maps, detailed descriptions on how to find the apartment or by a WHU student buddy. Expected date of arrival: the day before our mandatory orientation.

Visa and Residence Permit
www.whu.edu/exchange > Campus Vallendar > Arrival at WHU > Visa and Residence Permit
Depending on their nationality, students might need a visa and/or residence permit to study in Germany. While we assist students in...
applying for their residence permit during orientation, it is the student’s own responsibility to take care of visa matters as early as possible, ideally at least 2 months prior to departure.

Students should contact the German Consulate of their home country (or country of residence) to find out if they need a student visa prior to entering Germany/Europe for study purposes.
