WANT A FASCINATING MINOR THAT GOES WITH EVERY MAJOR?

Do you like to **think outside the box**? Do you care about **equality, diversity, and social justice** in the world today? Do you want to **stand out from the pack** of job and graduate school applicants?

If you answer **YES** to any of these questions, the **Women’s and Genders Studies (WGS) minor** may be for you! Our graduates have **successful careers** in law, business, and academia, among others. If you plan to work with people of **any gender and/or sexual identities**, explore WGS!
