SCRIPPS MERCY TRAUMA SURGERY INTERNSHIP

The internship is a unique program for USD pre-medical students to participate in clinical rotations with trauma surgeons and staff at Scripps Mercy Hospital.

The internship allows students to better understand and experience the psychosocial element of medicine. Students will have the opportunity to engage with a team of trauma surgeons throughout the internship.

Students will receive 1 unit of psychology credit for completing clinical hours (2 shifts a month) and a written project. Please note, all interns must pay \$94 (before taxes/fees) to cover the cost of the Scripps Tracking and Background and Drug screen package.

Eligibility Requirements

- Minimum 3.2 USD GPA
- Completion of Psych 101 or current enrollment (AP credit accepted)
- Completion of Chem 331 or current enrollment
- High level of maturity
- USD Pre-medical Juniors and Seniors only (based on graduation date, not units)
- Must be available on Fridays at 3 p.m. for internship meetings
- Students who have already completed the internship are not eligible to apply

Applications are accepted in fall and spring semesters for openings the following semester. Please email Cassandra Gomez at cagomez@sandiego.edu for an application.
