THOMAS L. WRIGHT
CEO, OZZI®

Dear OZZI Eco-Heroes,

As we step into another exciting year, I want to take a moment to express my deepest gratitude for your continued support of OZZI. Because of you, we have successfully kept over **35 million containers** in use, preventing unnecessary waste and making a real impact on our planet. Your commitment to reusables has helped drive a movement—one that is growing stronger every day.

This past year, we rebranded OZZI to better reflect our mission, and we couldn't be more excited about the road ahead. To show our appreciation for your dedication to sustainable practices, we've created a certificate recognizing your efforts—a small token of thanks for the big difference you're making.

And we're just getting started. 2025 will bring new products, enhanced technology, and even more ways to make reusables second nature. We can't wait to share what's next with you!

Thank you for being part of the OZZI community and for proving that small choices lead to big change. Let's keep the momentum going!

Sustainably yours,
