

FERPA Waiver for Cross-Section Class Activities with Students

As a student enrolling in this course, you may engage in cross-section interactions, which include group discussions, collaborative activities, and/or shared virtual spaces with students from other classes or class sections of this course. These interactions may involve sharing your name, image, likeness (including video and/or audio recordings), academic contributions, and other directory information with other students.

In accordance with the Family Educational Rights and Privacy Act (FERPA), we require your consent to participate in these cross-section interactions. By giving consent, you acknowledge and agree to the following:

2. You consent to the sharing of your educational information, as defined above, with the course's cross-section interactions.
3. You understand that if you do not provide consent, you will be removed from all cross-section activities. This may impact your course experience and your ability to fully participate in certain collaborative assignments or discussions. You will not be penalized or disadvantaged in any way for choosing not to consent to the sharing of your information.

Please indicate your consent by selecting one of the following options:

I consent to the sharing of my educational information for the purpose of participating in cross-section interactions.

I do not consent to the sharing of my educational information and understand that I will be removed from cross-section interactions, which may limit my ability to participate fully in the course.
