- * Chapter grade point averages were calculated based on rosters received by the Office of Fraternity and Sorority Life on or before May 11, 2026. Chapters are responsible for reporting members accurately and making any changes necessary by reporting to the Director of Fraternity and Sorority Life. Any misreport of names (e.g. use of nicknames instead of full/legal names) may have resulted in the inability to fully report on the chapter's grades.
- * All students listed as Abroad are considered part of each Active Roster, but may not be included in the calculation of GPA information.
- * All general Undergraduate information is taken from the Office of Institutional Research and Effectiveness, 2026.
- * Numbers in parentheses () indicate the n for each calculation of grade point average.
- * All members joining an organization during the Spring 2026 semester, whether through Formal Recruitment, Intake, or the process of Continuous Open Bidding (COB), are classified as New Members. This also may include New Members from Fall 2025 who were not initiated into their organization.
