NOTES:

- Chapter grade point averages were calculated based on the chapter rosters submitted as part of the fraternity/sorority registration process. Chapters are responsible for reporting any changes in their rosters promptly to the Assistant Director for Fraternity and Sorority Life. Rosters cannot be changed after finals week. New rosters are submitted at the start of each semester.
- Numbers in parentheses () indicate the *n* for each calculation of grade point average. Numbers in brackets [] indicate the actual membership in that category (some members may not have been included in the calculation because they withdrew, were not enrolled for 9 or more units, etc.)
- Actives are all members who were members enrolled at USD Spring 2018. Members who had 9 or more units reported through the USD Registrar are included in the chapter total, but not the active averages.
- All members joining an organization during the Spring 2018 semester are classified as New Members.
- Panhellenic chapter total was 134 members.
