Guest Policy for Experiential Learning Staff (ELP)

Due to the unique and 24/7 nature of the Experiential Learning component of the SYE Abroad program, guests are not allowed to participate in the program. If you have a friend/family member/colleague who is passing through the city or lives abroad, you are welcome to meet up with them pending that there is nothing on your schedule. You will need to continue to be available to assist with the program and any emergencies when visiting with your guest.

Group Flight Requirement for Experiential Learning Staff (ELP)

The USD International Center organizes a group flight option for all students. ELP’s are required to participate in the group flight to assist with the student group. The group flight is based out of San Diego and, therefore, will depart from and return to San Diego.

Enrollment Disclaimer

Please note that all ELP group assignments are based on student enrollment in each SYE Abroad location. While we will do our best to keep group size equal among staff, flexibility will be needed as group assignments may change. In the event that enrollment drops below the required minimum per group, assignments will have to be renegotiated.
