## **ITS Guidelines and Policies**

Use of University Computing Resources is limited to authorized users only. Any suspicious activity or attempt to gain unauthorized access to this System or Network should be reported immediately to:

Network Operations Maher Hall Room 170 Telephone 619-260-4726

- 1. Read policy for responsible use by visiting this link: <a href="http://www.sandiego.edu/legal/policies/community/technology/computing.pdf">http://www.sandiego.edu/legal/policies/community/technology/computing.pdf</a>
- 2. Each system user is assigned a unique user login name and password.
- 3. The login name and password must be kept confidential at all times. This information must not be shared with anyone including co-workers.
- 4. Each user is responsible for protecting their user login name from unauthorized access. User workstations must never be left unattended while logged on.
- 5. Passwords must be at least 8 characters in length and contain at least 1 number special character OR 1 UPPERCASE character.
- 6. Password must not contain the user name (ex. User: JohnD, password "1john#" will not work
- 7. Users will be required to reset their passwords every 90 days. For Banner password expires every six months. For AD password never expire.
- 8. If departing USD, the employee/user or their supervisor is required to notify Network Operations regarding disposition of the user account. To make arrangements call Yolanda Abitan at extension 4726 or email operations@sandiego.edu

A clearance form must be signed by the Operations Manager of Network Operations. Contact HR for clearance form.

I have read the policy on responsible use of University Computing Resources.
