**Get Involved!**  
**Moot Court Judges Needed**  
Friday-Sunday, November 15-17

This month, the National Criminal Procedure Tournament will be held at USD Law! At this national competition, teams from law schools across the country come to compete by arguing challenging and current criminal procedure issues before a panel of judges.

These competitions provide future lawyers with the practice and experience needed to develop effective oral advocacy skills.

No expertise in criminal law is required. You will be provided with a bench brief with background and sample questions. Three-hour slots are available, and meals are included.
