

Celebrating USD's 75th Anniversary

Founded in 1949, the University of San Diego celebrates its 75th Anniversary in 2024. The School of Law—the first professional school established at USD—was founded five years later in 1954 and celebrates its 70th Anniversary. USD has prepared generations of alumni to lead inspired and meaningful lives. In the classroom and beyond, they endeavor to think critically, and express informed insights with courage and conviction. This commitment to the fullest development of our students illuminates their path to personal enlightenment, professional success and selfless service for the greater good.

USD has confronted humanity's challenges by fostering peace, working for justice and leading with love. As a community steeped in history and intrinsically linked to a beautiful region, USD is proud to honor its faculty, staff, students and alumni who carry the light of knowledge, the light of innovation and the light of compassion now and into the future.

At the Edge of it All USD President James T. Harris III on Leading a University in 2024

James T. Harris III, DEd, president of the University of San Diego, joined "At the Edge of it All" to discuss his journey as an educator and give a glimpse into his role as a university leader helping to shape future generations. Harris talked about what drives him and shared personal anecdotes that have shaped the man he is today, including a small but memorable piece of advice from his grandmother—"remember what it feels like to be invisible."
