

The Docket

September 2025

On October 21, USD School of Law will rally together for **Torero Tuesday**—the biggest day of University-Wide Giving! Last year, USD School of Law alumni led the entire university in dollars raised, bringing in \$503,000 to the Law School. This year, we're aiming higher, and with your help—we know we will succeed.

***You are the force multiplier that will be
the key to the law school Torero Tuesday triumph!***

USD Law is excited to recruit an unlimited number of Torero Tuesday Advocates to help spread the word about the law school, students, and alumni during Torero Tuesday. Lucky for us, alumni like you are natural collaborators, competitive advocates, and passionate graduates who are energized about the future of USD Law—all qualities that make for excellent Advocates!

Please remember that we understand the workload that comes with being a legal professional, so your participation can be as simple and flexible as you like. All that is needed is for you to care about USD School of Law, share the fundraising link with your friends and colleagues, and collaborate with us on social media.

We'll handle the heavy lifting—providing posts, graphics, emails, and messages—you just need to share it with your network.

[SIGN UP TO BE AN ADVOCATE](#)
