MEMORANDUM

TO: All Law Students
FROM: Stephen C. Ferruolo, Dean and Professor of Law
DATE: April 24, 2020
SUBJECT: Updates on Law School Classes/Events for Remainder of Spring 2020 Semester

This Memorandum provides an update from the Memorandum I sent you on Friday, April 17.

Thanks to the many students who joined our weekly Town Hall meetings this semester. For those who were unable to participate, you can access the recorded version of the April 22 Town Hall here (access code 2A.=gR+v). While we will not hold Town Halls during the exam period, we will continue to send updates and a summary of updated information each Friday for the rest of the semester.

Final examinations begin on Monday, April 27, and doing them remotely is going to be a new experience for many. The Registrar’s Office has done a great job planning for this transition and you will be receiving instructions before each of your exams. Please pay close attention to these instructions and, if you have any questions or concerns, raise them as soon as possible by contacting lawreg@sandiego.edu. We will all do our best to have the process run as smoothly as possible and wish you good luck in completing your exams and other final assignments successfully.

The following covers only information that has been updated since April 17 and is again organized alphabetically. If you do not see a topic covered below, please refer to my prior memoranda:

- **Bar Exam.** At least 15 states have now cancelled the July 2020 bar exam. For an updated list of actions by jurisdictions, use this link. The following updates are specific to the State Bar of California.
  - **July 2020 Bar Exam.** On April 22, the Supreme Court of California met to discuss the State Bar of California Board of Trustees’ proposed options for the July 2020 bar exam: (1) postpone the exam to September 9-10, 2020 and administer it online, in person or both; or (2) cancel the exam and hold the next bar exam, as scheduled, in February 2021. To date, the Supreme Court has not communicated their decision but is expected to make an announcement by April 30.

- **Career and Professional Development (OCPD).** As part of our outreach efforts, USD Law alumni received an email communication this week from the Dean calling on them to assist with our hiring efforts. Several alumni have already responded, and we hope this will lead to new summer and post-grad opportunities being posted on #HireUSDLaw. Please refer to OCPD’s April 17th memo for other important information. May 2020 graduates will receive a communication from OCPD next week.

- **Law Student Affairs (LSA).** May 2020 graduates will receive a detailed communication from LSA next week addressing degree conferral, honors, awards, bar exam preparation support, and more.

- **Technology and Remote Course Information.** Students who wish to print on campus can use the Wepa kiosks located in Warren Hall and the UC (in front of Tu Mercado and on the lower level).
