Background Information: The Linda Vista Teen Center is an after school program run by BCGSD (Boys and Girls Clubs of Greater San Diego). The Teen Center caters to middle school and high school students and offers after school programs with activities in five core focus areas: Character and Leadership Development; Education and Career Development; Health and Life Skills; Sports, Fitness and Recreation; and The Arts. Activities include Power Hour, Tutor/Homework Help, SAT Prep, Intro. to College, Health Smart, Culinary Class, Dance, Music, Recreation/Sports, College tours/field trips and studio recording.

Community Engagement Responsibilities/Activities:

USD students will support the afterschool program and engage directly with teens. Schedules will be arranged during orientation. USD students will learn about the Linda Vista community that surrounds USD by getting to know and building relationships with the youth at the Linda Vista Teen Center. Note that this experience requires taking initiative to approach the teens and interact with them in often-unstructured ways.

Dress Code: The Linda Vista Teen Center dress code requires volunteers to wear close toed shoes and business casual attire. Work out clothes only permitted when participating in dance class.
