

USD MILITARY & VETERANS PROGRAM

INFORMATION FOR PROSPECTIVE TRANSFER STUDENTS

TRANSFER ADMISSIONS

We encourage students to have:

- 24 transferable semester units (or 36 quarter units) completed
- A GPA above the minimum of 3.0
- Completing English Composition & College Algebra

Ultimately, transfer admissions for veterans & active-duty can be flexible, including providing **application fee waivers** and **accepting applications after the priority deadlines**. We recommend applicants reach out to Transfer Admissions & our university's military admissions counselor:

FINANCIAL AID & VA BENEFITS

Our VA Certifying Official is available during office hours to discuss & certify VA Edu benefits. After registering for classes, students are required to submit a "Request to Certify" form each semester they want to use their benefits.

In addition, our university participates in the Yellow Ribbon program, bringing the gap in tuition and mandatory fees for eligible military-connected undergraduate students down to \$0.
