

What to Pack

Team Items

- **A small bottle of holy water** from your campus font. This will be incorporated into our opening prayer. Please pack this in your CHECKED LUGGAGE if arriving by air!
- **Prizes from your school.** Please bring a minimum of one “prize” per attendee from your campus, anything from a pen or coffee mug to a sweat-shirt. We will distribute prizes daily. Be sure you included trivia questions (and answers) on your Team Information Form!
- **A copy of your school and campus ministry mission statements** (if you have them). This will help your team identify how your project can contribute to the “bigger picture.”
- **Materials to display at our Ministry Fair.** This is an opportunity to network and share ideas. You can bring general materials (brochures, promo, giveaways, photos) or highlight a specific program. We will provide tri-fold display boards for you to use if you wish to assemble your display when you arrive.
- **A laptop computer.** You will need at least one laptop to create your project presentation and a flash drive to transfer it to the presentation room computer. Having more than one laptop may help you work more effectively, and of course students may wish to bring theirs for personal use. *USD is a wireless campus but there is a fee for guest use; please be sure you supplied the correct number of people needing access on your Team Information Form so we can cover this cost for you.*

Personal Items

- **Comfortable clothes, in layers.** Temperatures in San Diego in June are moderate, averaging from 61 to 71F. It rarely rains but the days may be overcast. Bring a light jacket or sweater, and comfortable walking shoes.
- **School attire.** Please bring an article of clothing (t-shirt, cap, etc.) which represents your campus to wear to our opening events on Tuesday.
- **Dress Clothes.** Plan to wear something “casually elegant” for the final liturgy and banquet/talent show. Male participants have been known to wear ties. *You will receive a CMLI t-shirt to wear on the last day, so there is no need to pack something special for your project presentation.*
- **Beach towel.** Weather permitting, we will spend one evening praying and relaxing on Fiesta Island. If you own a beach towel, please bring it!
- **Entertainment supplies.** Bring any items which you might need (instruments, costumes, poetry, etc.) to participate in the Institute talent show. (Performance is optional.)
- **Other personal items** to remember include:
 - musical instruments for liturgy or socials
 - extra cash for optional activities
 - a small reading light or nightlight (there is only one overhead light in each room)
 - your personal health insurance information
 - water bottle for refilling
 - bag to carry CMLI binder/papers, etc.
