My Parking Account

 My Parking Account ↗	FIRST YEAR RESIDENTS First Year Exception Form ↗	 Parking Information ↗	 Frequently Asked Questions ↗
Log in to My Parking Account to purchase a permit, pay a citation, appeal a citation, and manage your parking account (add a vehicle, link a vehicle to your permit). If you encounter any issues with our online customer portal, please contact the Parking Services Office by email (parking@sandiego.edu) or by phone (619-260-4518). →	First-year resident students are not allowed to park on campus. First-year resident students with a medical or disability related need, or those with off campus jobs with proof of consistent employment may apply by completing the First Year Exception form. If you are looking for medical exceptions, please email Student Wellness at wellness@sandiego.edu . Any emails to parking@sandiego.edu requesting an exception will not be accepted. →	Please visit this page to view parking information for Students, Employees, Guests and Special Events, and other General information (Carpool, Disabled, Electric Vehicle, Motorcycle, Loading, and Metered spaces). →	Please visit this page to read the frequently asked questions regarding parking on campus. →

Select "Log In"

Welcome to
University of San Diego's
Parking Services Portal

Get a permit

All permits issued by the University are 100% virtual and linked to your vehicle license plate information.

Staff, faculty, students, and affiliates with a sandiego.edu email address can [log in](#) with their USD ID to activate their parking permit online.

Contractors and visitors can [sign up](#) for an account and apply for a permit online.

Pay a citation

If you have an account, [log in](#) to your account and go to the "My Citations" tab.

If you are attempting to pay a citation on behalf of someone else, you can [pay or appeal here](#). Please have the citation number and license plate number to complete this process.

Where Can I Park?

Learn where you can park, based on the permit type, using this [interactive parking map](#).
