CALIFORNIA STATE UNIVERSITY, LONG BEACH  
College of Health and Human Services  
School of Nursing  
Tenure-Track Position Opening

RECRUITMENT NUMBER: 2329

POSITION: Assistant/Associate Professor of Nursing and Health Systems Executive Management/Healthcare Policy Specialist

EFFECTIVE DATE: August 17, 2016 (Fall Semester)

SALARY RANGE: Commensurate with qualifications and experience

MINIMUM QUALIFICATIONS: PhD in Nursing or allied health field, DNP, DNSc or official notification and completion of the doctoral degree by August 1, 2016, and master’s degree in nursing with emphasis in nursing or health systems executive management. Experience as a nurse executive with specialization in Nursing and Health Systems Executive Management (NHSEM) and healthcare policy; eligible for licensure as a registered nurse in California; national level nurse executive board certification or eligibility to take the national certification examination. Demonstrated excellence in teaching; demonstrated trajectory for successful research, scholarly and creative activities. Demonstrated commitment to working successfully with a diverse student population.

DESIRED/PREFERRED QUALIFICATIONS: Expertise in teaching online or hybrid courses, recent work experience as a senior-level nurse or health systems executive in the clinical setting (within the past 5 years); experience as a nursing educator in didactic and/or clinical courses in postsecondary nursing programs; ability to teach in more than one clinical area; record of research, publication or other scholarly and/or creative activities; ability to work effectively in a team-teaching, collegial setting; current knowledge of practice issues; previous experience in curriculum development and instructional technology; success in obtaining external funding through grants and contracts.

DUTIES: Teach didactic and clinical courses, as appropriate, at the undergraduate, graduate, and doctoral levels. Participate in curriculum development, course assessment, student recruitment and retention, advise nursing majors; serve as a member of theses, directed studies, and comprehensive exam committees. Serve as a liaison between clinical agency personnel and the School of Nursing. Maintain ongoing program of scholarship leading to publication.

CSULB seeks to recruit faculty who enthusiastically support the University’s strong commitment to the academic success of all of our students, including students of color, students with disabilities, students who are first generation to college, veterans, students with diverse socio-economic backgrounds, and students of diverse sexual orientations and gender expressions. CSULB seeks to recruit and retain a diverse workforce as a reflection of our commitment to serve the People of California, to maintain the excellence of the University, and to offer our students a rich variety of expertise, perspectives, and ways of knowing and learning.

REQUIRED DOCUMENTATION:
• A Student Success Statement about your teaching or other experiences, successes, and challenges in working with a diverse student population (approximately one page, single-spaced)
• Letter of application addressing the minimum and desired/preferred qualifications
• CV (including current email address)
• Three current references or letters of recommendation (at least one attesting to teaching effectiveness)
• Copy of transcript from institution awarding highest degree
• Finalists will also be required to submit a signed SC-1 form, three current letters of recommendation (if not already submitted), and an official transcript.
• Evidence of teaching effectiveness (e.g. course evaluations).
• As finalists, provide proof of California license and/or eligibility to practice in California as a Registered Nurse and Nurse Practitioner; current national level nurse executive board certification, or eligibility to take the national certification exam.

Applications, required documentation, and/or requests for information should be addressed to:

Kathy Engberg  
California State University, Long Beach
